

# Bible Reflection Fellowship

These bible reflection fellowships are times to gather over afternoon tea together, and discuss topics and books that are extremely relevant to our faith. It is a time when we can come together to discern how to live out our faith in the midst of difficult 21<sup>st</sup> century issues. Everyone and anyone is welcome!

We meet in the church hall from 2.00-3.30pm including afternoon tea which will be provided.

Date	Day	Topic
